E-----

(I m sure this isn t right, so if someone could advise the right way that would be great)

Verse 1

D C G A D  
What a site for my eyes to see you in sleep

D C G A D  
Could it stop the sun rise hearing you weep

C G D  
You re not seen you re not heard

F D  
But I stand by my word

F Bb C G  
Came a thousand miles just catch while you re smiling

Interlude D Intro bit again

Verse 2 (same as Verse 1)  
What a day for laughter and walking at night  
Me following after your hand holding tight  
And the memory stays clear with the song that you hear  
If I can but make the words awake the feeling

Orchestral solo over

D C G D X2

Verse 3  
What a reason for waiting and dreaming of dreams

So here s hoping you ve faith in impossible schemes  
That are born in the sigh of the wind blowing by  
While the morning light brings the end to a night of loving

Interlude and orchestral solo repeat

End on D
