I gave her my raincoat and told her, ``Lady, be
good!

And we made truth together, where no one else
would.

I smiled through her fingers and ran the dust
through her hands ---
D G D
the hour-glass of reason on the summerday sands.

over summerday sands.

(Rest the same)

Came the ten o clock curfew.
She said, ``I must start my car.
I m staying with someone I met last night in a
bar.
I called from my wave top ---
``At least tell me your name!
She smiled from her wheelspin
and said, ``It s all the same.

I thought for a minute, jumped back on dry land ---
left one set of footprints on the summerday sands.

I once met a girl with the life in her hands
and we lied together on the summerday sands.
