

The Rattlesnake Trail
Jethro Tull

F#m Am F#m Am

I wear a hair shirt round my shoulder
Got a cold stew in my spoon
And I m falling on my head
Lifting feet of led
Now it s got me baying at the moon
There s a race on for tomorrow
I m stretching out for what might have been
Gonna come out from the night
Get my second sight
Play rough, you know what I mean

Chorus

I m going for the kill
I m going tooth and nail
Up that dusty hill
On the rattlesnake trail ...yea! the ratllesnake trail!!
