

Up to me  
Jethro Tull

**Em**

Take you to the cinema

**D**

and leave you in a Wimpy Bar --

**C**

you tell me that we've gone to far --

**Am**

**D**

come running up to me.

**Em**

Make the scene at Cousin Jack's --

**D**

leave him put the bottles back --

**C**

mends his glasses that I cracked --

**Am**

**D**

well that's one up to me.

**Em**

Buy a silver cloud to ride -

**D**

pack the tennis club inside -

**C**

trouser cuffs hung far too wide -

**Am**

**D**

well it was up to me.

**Em**

Tyres down on your bicycle -

**D**

your nose feels like an icicle -

**C**

the yellow fingered smoky girl

**Am**

**D**

is looking up to me.

**Em**

**A7**

**Em**

Well I'm a common working man

**Em**

**A7**

**Em**

**A7**

with a half of bitter -- bread and jam

**Am9**

**A7**

**C**

**A7**

**C**

and if it pleases me I'll put one on your pan --

**Am9**

**A7**

**C**

**Em**

when the copper fades away.

**Em**

The rainy season comes to pass -

**D**

the day-glo pirate sinks at last -

**C**

and if I laughed a bit too fast.

**Am**                      **D**  
Well it was up to me
