Any day now

That s what I ve been thinking every single night, girl  
**Eb7**  
Before I sleep  
**F**  
Will you come back?  
**Cm7** **Fm7** **Bbm7**  
I always thought you would but every day

That passes by  
**Eb7**  
Makes it less likely it could  
**Eb7** **F7**  
So take what yours  
**Bbm7** **Eb7**  
And every memory  
**Eb7** **F7** **Bbm7** **Eb7**  
I wish you give me back my dignity  
**Bb**  
And my self esteem

[Verse 2]

**F** **Cm7** **Fm7**  
Can t stand to look at your picture anymore  
**Bbm7**  
Let alone if I meet you  
**Eb7**  
They d have to scrape me of the floor  
**F** **Cm7** **Fm7**  
I used to follow everywhere you d go  
**Bbm7**  
You used to use me  
**Eb7**  
And used to leave me alone  
**Eb** **F7**  
Finish me  
**Bbm7** **Eb7**  
You ve won the bloody match  
**Eb** **F7**  
But I can t stay down  
**Bbm7** **Eb7**  
I crawl back up and get  
**Bb**  
Another bunch  
**Fm/Db** **Ebsus4**  
A kick between my legs  
**Dm7**  
A facial scratch  
**Bbm7** **Bb7**  
So that everyone knows where I m at

[Chorus]

**Eb** **Dm7** **G** **Cm7**  
It s never gonna be the same without you  
**Eb** **Dm7** **G** **Cm7** **Eb7**  
It s never gonna be the same without you
