D(upward strum) E
Barcelona where the winds all blew
D
the churches don t have windows
E
but the graveyards do
D E
me and my shadow are wrestling again
D E
look out stranger, there s a dark cloud movin in

A
but if you could hear the voice in my heart
E
it would tell you
A E
i m afraid i m alone
F#
won t someboy please hold me
E
release me show me the meaning of mercy let me loose
A G F# E
flyyyyyyyyyyyyyyyyyyy
A G F# E
let me flyyyyyyyyyyyyyyy
D
let me fly

repeat chords
super paranoid
i m blending i m blurring i m bleeding
into the scenery
loving someone else is always so much easier
i hold myself hostage in the mirror

but if you could hear the voice in my heart
it would tell you
i m tired of feeling this way
god won t you please hold me release me
show me the meaning of mercy let me loose
flyyyyyyyyyyyyyyyyyyy
let me flyyyyyyyyyyyyyyyyyyy

G **F#**
and i won t be held down
E **G**
i won t be held back
F# **E**
i will lead with my faith

D(upward strum) **E**
the red light has been floowing me
D **E**
but don t worry mother, it s no longer my gravity
F# **E**
hold me release me show me
A G F# E
the meaning of mercy let me flyyyyyyyyyyyyyyy
A G F# E
let me flyyyyyyyyyyyyyyyyyyy
A G F# E D
let me flyyyyyyyyyyyyyyyyyyy

Okay, I can t believe this wasn t on here already... And I haven t seen any really good versions anywhere else on the web. So this is how I play it and I hope it will suffice.
Listen to the song to get the rhythm of the strumming and put slides in where they sound good.

Enjoy!
