All strings tuned down 1/2 step.  
(Eb **Ab Db Gb Bb** Eb)

INTRO AND VERSE:  
(Only play **Eb Ab Db** strings)

**G Am Em C**

Under the shadows, forbidden and hot  
Desire grows, more often than not

I m sorry is a stupid thing to say  
Especially considering it s not like I planned it this way

PRE-CHORUS:

**F G**  
But I m sorry is all that there is left of me  
**F G**  
I m so sorry this love left me hollow and made you empty

CHORUS:

**C G**

Maybe I could have loved you better

**C G**

Maybe you should have loved me more

**F G**

Maybe our hearts were just next in line

**F G Am**

Maybe everything breaks sometime

**F G Am** (arpeggiated)

Everything breaks sometime

**C Em C Em**

It s hard to believe it s boiled down to this

It seems so surreal; this won t be healed by a kiss

It s hard to stare at you, knowing you like I have

I used to feel so close, now I feel so bad

My heart s filled with thunderstorms and I m ready to burst

And I ve lost my favorite harbor and I ll weather for the worst

Maybe I could have loved you better

Maybe you should have loved me more

Maybe our hearts were just next in line

Maybe everything breaks sometime

Everything breaks sometime

ENDING:

**F G Am**

I m so sorry, everything breaks sometime

**C Em C Em C**
