Everything Reminds Me of You
~by Jewel Kilcher and Joe firstman

Okay 4 Chords make up the entire song, but that doesn't mean it's easy. Most of the chords are on off-beats, so listen close to get better. I'm sure the lyrics are not completely correct, every version I have is almost completely different from one another.

Standard Tuning

EADGBe
E 022100
A X02220
C#m X46654
B X24442

VERSE:1

E **A**
i try to find the answer
C#m **B**
but i always see it disappear
E **A**
cause i well i like you so much
C#m **B**
but the rest won't appear

CHORUS:

A **E**
and if it makes it all right
B **C#m**
i'll spend the night
A
with you, dear
B
if you only reappear
A **E**
cause everything reminds me of you
C#m **B** **A**
and that's just gonna take a little getting used to
C#m **B** **A**
that's just gonna take a little getting used to

VERSE 2:

i, well i search the city streets
and everybody wants to meet that special someone
