Intro: **G** - **Em** - **C9** - **D** - **G**

Think there s a monster in your closet

Even if you lock it

You think you can t stop it

No matter how hard you try

Well isn t he a sleepy head

Close your eyes and go to bed

With good thoughts in your head

Tell you why it s gonna be alright

They re only shadows, they re only shadows

They re only shadows in the night

You walk down the street

A creepy feeling starts to creep

And suddenly you feel your feet

Movin faster till they fly

You look all around

You look up and you look down

But still there s nothing you have found
