INTRO:

**C, G6, C, G**

VERSE 1:

**F**

If you love somebody

**C**

You better let it out

**F**

Don t hold it back

**G**

While you re trying to figure it out

**Am**

Don t be timid

**C**

Don t be afraid to hurt

**F**

**G**

Run toward the flame, run toward the fire

**C**

And Hold on for all your worth

**F**

Cause the only real thing

**C**

A heart can never know

**F**

Is the sorrow of regret

**G**

When you don't let your feelings show

CHORUS

**C**

So did you say it

**Cmaj9**

Did you mean it

**Am**

**Em**

Did you lay it on the line, did you make it count

**F**

**Dm**

Did you look 'em in the eye and did they feel it

**G7**

Did you say in time

**G**

Did you say out loud

**Am**

Cause if you did Hun

**Em**

Then you lived some

**F - G7**

And that feeling inside

**C - G**

That's called satisfied

VERSE 2:

**F**

Busy people walkin' by

**C**

I can't help but worry some

**F**

So many things to do

**G**

So little love gets done

**Am**

Empty hearts everywhere

**C**

Drowning but dying of thirst

**F**

**G**

If we want love, it's not that tough

**C**

Start by giving it first

**F**

It's easy to give

**C**

Baby can't you see

**F**

Just close your eyes, open your heart

**G**

And do what comes naturally

CHORUS

**C**

So did you say it

**Cmaj9**

Did you mean it

**Am**

**Em**

Did you lay it on the line, did you make it count

**F**

**Dm**

Did you look 'em in the eye and did they feel it

**G7**

Did you say in time

**G**

Did you say out loud

**Am**

Cause if you did

**Em**

Then you lived some

**F - G7**

And that feeling inside

C - G

That s called satisfied

BRIDGE:

F

Now Horses were built to run

C

And the sun was meant to shine above

Em

Flowers were made to bloom

G

Then there s us

Am

We were born
