

Stay Here Forever

Jewel

Song: Stay Here Forever

Artist: Jewel

Tabbed by: Saffron

This song is very simple and very pretty. You can easily pluck the individual strings (lowest to highest) for the intro and instrumental parts. I think everything else is strummed.

Intro: **G D Em C** (x2)

G **D**
I m staring at the ceiling, laying here dreaming,
F **C**
Wasting the day away

The world s flying by our window outside
