D/F# - 2x023x

Intro: **Em**--

Verse 1:

Em
Austin in funhouse
G
I was spinning around
Em **C**
My life is upside down
Em
You stood there steady
G
Then I was ready
Em
I thought that you
C
could leave me out

Refrain 1:

C G/B Am
It was all just an illusion
D
that lead to my confusion

Chorus 1:

Em
I know what I saw
C
I wanted to believe
G D/F#
in all your words
Em
I wanted you to stay
C
you seem to me to
G D/F#
be so perfect
But you re not
Em
what I thought
C
I saw you through
G
the funhouse mirror
D/F# D(hold)
oh but now I ve
Em--
seen the truth

Verse 2:

Em
When I am senseless
G
good for defenses
Em
It s strange like
C
to trick your eyes
Em
I thought with
you around
G
I d be on the
solid ground
Em
But now I feel the
C
floor moved beneath me

Refrain 2:

C G/B Am
I can no longer ignore it
D
Your image was distorted

Chorus 2:

Em
I know what I saw
C
I wanted to believe
G D/F#
in all your words
Em
I wanted you to stay
C
you seem to me to
G D/F#
be so perfect
But you re not
Em
what I thought
C
I saw you through
G
the funhouse mirror
D/F#
oh but now I ve seen

Bridge:

Am
-you spinning around
in centrifugal force
G
I had distorted lots
D
of run through my mind
Am
Now I know that when I
made the funhouse session
G
always make sure to look
D Am
twice coz Oh I thought
that you will save me now
Em
It s clear I never knew
C
someone so arrogant and
Am D
critical and damaging as you

Chorus 3:

Em(hold)
I know what I saw
C(hold)
I wanted to

G(hold) **D**(hold)
believe in you oh

Chorus 4:

Em
I know what I saw
C
I wanted to believe
G **D/F#**
in all your words
Em
I wanted you to stay
C
you seem to me to
G **D/F#**
be so perfect oh
But you re not
Em
what I thought
C
I saw you through
G **D/F#**
the funhouse mirror oh
Em
I know what I saw
C
I wanted to believe
G **D/F#**
in all your words
Em
I wanted you to stay
C
you seem to me to
G **D/F#**
be so perfect oh
But you re not
Em
what I thought
C
I saw you through
G **D/F#**
the funhouse mirror oh
Em
But now I ve seen the truth
Em **D** **C**(hold)
Oh I ve seen who you really are
