**C#**

I can t remember when

**D#m**

I truly felt my life begin

**F#**

So much has changed

**D#m**

I ve become a stranger again

**C#**

You are my life right now and

**D#m**

I can t remember how

**F#**

I ever did it without you

**D#m C#**

I ll be thinking about you today

**C# F# D#m**

Today, today, today

Instrumental: G#4/G#/G#\*/F# x2

**F#**

Suddenly you re there

G#4/G#

Everything we share

**G#\*/G#**

We play with each other s hair

**F#**

This can t really be fair

**F#**

Knowing you re nearby

G#4?/G#

Keeping our feet dry

**G#\*/G#**

Sharing a pizza pie

**F#**

Don t even need to try.

?

No hesitations

**D#m**

Need no occasion

**A#m G# F#**

Look how much we have done

~~ **C#**

I m feeling silly now

**D#m**

Thinking how I could ever doubt

**F#**

We d be together

**D#m**

I ll be here whenever you say

**C#**

I ll bring the DVDs

**D#m**

You bring those chunks of cheese

**F#**

Maybe we ll dance

**D#m**

Just give it a chance

**C#**

Let s play

**C# F# D#m**

Play, play, play

Instrumental: **G#4/G#/G#\*/F#** x2

**F#**

Laughing til we scream

**G#4?/G#**

Better than it seems

**G#\*/G#**

Better than any dream

**F#**

You know how much you mean

**F#**

Then when the day ends

**G#4?/G#**

And if the time lends

**G#\*/G#**

I only want to spend

**F#**

Time with these friends

?

No reservations

**D#m**

Pure liberation

**A#m G# F#**

Look how much we have done

**C# D#m F# D#m**

Youuuuu better meet me at the Holiday Club tonight
