**A Bm**  
Thank you for every sunlit day

That filled the corners of my memory

Thank you for every selfless unsung deed  
I know you did for me

Thank you for giving me the choice

To search my soul till I could find my voice  
And I thank you for teaching me  
To be strong enough to bend

You gave me the roots to start this life

and then you gave me wings to fly  
and I learned to dream  
because you believed in me

There s no power like it on this earth

No treasure equal to its worth

The gift of a mother s love  
I thank God for a mother s love
