Sleeping in Toronto - Jim Bryson

Capo 3

C

And I got tired of sleeping in Toronto

F G C F G

I got tired of telling all my friends that I wanna go home

C

And I got tired of telling you I love you

F G C F G

I got tired of never really knowing what I should do

F

And honey you can tell

All of your friends I won t be home again

G

Not for anyone

And I got tired of telling you I miss you

I got tired of never really knowing what I should do

And I was tired right from the very start

I got tired of watching my friends fall apart

And honey you can tell

All of your friends I won t be home again

Not for anyone

And honey you can tell

All of your friends I won t be home again

Not for anyone

And I got tired of sleeping in Toronto

I got tired of telling all my friends that I wanna go home

I wanna go home

And I got tired of telling you I miss you

I get tired of telling you I miss you

I got tired of telling you I miss you

But all my friends think I don t even love you
