D A
I ve been up and down and around and round and back again
G D A
I ve been so many places i can t re - member where I ve bin
D A
And my only boss was the clock on the wall and my only friend
G A D
Never really was a friend at all

Refrão -----

Bm F#
I ve traded love for pennies, sold my soul for less
G A
Lost my ideals in that long tunnel of time
D A
I ve turned inside out and around about and back and then
G A G A D
Found myself right back where i star - ted again

D A
Once i had myself a million, now i ve only got a dime
G A D A
The diff rence don t seem quite as bad today
D A
With a nickel or a million, i was searching all the time
G A G D
D/C# D/B
For something that i never lost or left behind

Refrão -----

D A
And now i m in my second circle and i m headin for the top
G A D A
I ve learned a lot of things along the way
D A
I ll be careful while i m climbin cause it hurts a lot to drop
G A G A D
When your down nobody gives a damn any way
