

**Photographs And Memories**  
**Jim Croce**

[Verse]

**Fmaj7**                    **Bb**                    **Fmaj7**                    **Bb**  
Photographs and memories, Christmas cards you sent to me  
**Gm7**                    **Am**                    **Dm**                    **Gm7**                    **C7**  
All that I have are these to remember you  
**Fmaj7**                    **Bb**                    **Fmaj7**                    **Bb**  
Memories that come at night take me to another time  
**Gm7**                    **Am**                    **Dm**                    **Gm7**                    **C7**  
Back to a happier day, when I called you mine

[Chorus]

**Fmaj7**                    **Bb**                    **Fmaj7**                    **Bb**  
But we sure had a good time when we started way back when  
**Fmaj7**                    **Bb**                    **Am**                    **Em**    **C7**  
Morning walks and bedroom talks, oh, how I loved you then

[Verse]

Summer skies and lullabies, nights we couldn't say goodbye,  
And of all of the things that we knew, not a dream survived.  
Photographs and memories, all the love you gave to me,  
Somehow it just can't be true, that's all I've left of you.
