Time In A Bottle
Jim Croce

[Verse]

```
   C#m           C#m(maj7)  C#m7     C#m6
If I could save time in a bottle
     F#m6                          G#7
The first thing that I d like to do
       C#m        C#m7     Bb-      F#m7     C#m
Is to save every day till eternity passes away
         F#m            G#7
Just to spend them with you.

   C#m           C#m(maj7)  C#m7     C#m6
If I could make days last forever
     F#m6                          G#7
If words could make wishes come true
       C#m        C#m7     Bb-        F#m7       C#m
I d save every day like a treasure and then
         F#m            G#7
Again, I would spend them with you.
```

[Chorus]

```
       C#                  C#maj7
But there never seems to be enough time
   C#6                 C#                       F#      F#maj7  Ebm7  G#7
To do the things you want to do Once you find them
     C#           C#maj7
I ve looked around enough to know
   C#6                C#                    F#           F#maj7 Ebm7 G#7
That you re the one I want to go through time with.
```

[Verse]

```
   C#m           C#m(maj7) C#m7     C#m6
If I had a box just for wishes
   F#m6                          G#7
And dreams that had never come true
   C#m        C#m7     Bb-              F#m7      C#m
The box would be empty except for the memory
       F#m            G#7
Of how they were answered by you
```

[Chorus]

```
       C#                    C#maj7
But there never seems to be enough time
   C#6              C#                F#        F#maj7   Ebm7   G#7
To do the things you want to do Once you find them
     C#              C#maj7
I ve looked around enough to know
     C#6                C#                F#          F#maj7 Ebm7 G#7
That you re the one I want to go through time with.
```

[Verse]

```
          C#                 C#maj7
But there never seems to be enough time
   C#6               C#                  F#         F#maj7
To do the tings you want to do once you find them
   Ebm7        G#7              C#             C#maj7
[1 bar]   [3/4 bar] I ve looked around enough to know
      C#6                 C#                F#
That you re the one I want to go through time with.
   F#maj7          Ebm7            G#7
