Time In A Bottle
Jim Croce

[Verse]

```
    Em           Em(maj7)  Em7      Em6
If I could save time in a bottle
     Am6                          B7
The first thing that I d like to do
      Em        Em7       C#-       Am7      Em
Is to save every day till eternity passes away
          Am             B7
Just to spend them with you.

    Em           Em(maj7)  Em7      Em6
If I could make days last forever
     Am6                          B7
If words could make wishes come true
      Em        Em7       C#-       Am7      Em
I d save every day like a treasure and then
          Am             B7
Again, I would spend them with you.
```

[Chorus]

```
         E                 Emaj7
But there never seems to be enough time
    E6                 E                      A        Amaj7    F#m7   B7
To do the things you want to do Once you find them
      E           Emaj7
I ve looked around enough to know
    E6                 E                      A           Amaj7 F#m7 B7
That you re the one I want to go through time with.
```

[Verse]

```
    Em           Em(maj7)  Em7      Em6
If I had a box just for wishes
     Am6                          B7
And dreams that had never come true
      Em        Em7   C#-                 Am7      Em
The box would be empty except for the memory
          Am             B7
Of how they were answered by you
```

[Chorus]

```
            E                 Emaj7
But there never seems to be enough time
    E6                 E                      A       Amaj7   F#m7  B7
To do the things you want to do Once you find them
      E           Emaj7
I ve looked around enough to know
      E6                  E                    A          Amaj7 F#m7 B7
That you re the one I want to go through time with.

But there never seems to be enough time
    E6                E                     A        Amaj7
