::Intro::

F - C/F - Bb - F - C/F - Bb

::Verse #1::

F
Sometimes I lie awake and I wonder how you're doing
Bb **F**
It's been a long time since we spoke
C **Dm**
Last time I was there you had music in the air
Gm **C**
We listened till the stereo broke
F
I told you I believed you it's not really true
Bb **F**
I only want to see you come alive
C **Dm**
Winter's come and gone and there's flowers on the lawn
Gm **C**
I miss you coming up my drive

::Pre-Chorus::

Am **Bb**
You'd tell me different if I ever lost my way
Am **Bb**
You'd tell me different if I needed somewhere to stay
Gm
You'd tell me all the things I needed to hear and never could
C
And you'd always be careful and kind

::Chorus::

Bb **C** **Dm**
If you want to know what's on my mind
Bb **C** **F**
Let me be some help to you this time
F **C/E** **Dm** **Am**
If you want to wake up in the morning and throw roses in the rain
Gm **Bb** **C**
Cry yourself to sleep at night and practice your pain
Bb **C** **Dm**
If you want to know what's on my mind
Bb **C** **F**

Come on up and see me Iâ€™ve been waiting for you all this time
