Ready To Fall

::Intro::

d#m7b5 - **Em**

d#m7b5 - **Em** - **D** - **C** - **D**

::Verse #1::

d#m7b5 **Em**

Guess that I was wrong

d#m7b5 **Em**

I know I played along

D **Am**

And let the little things go by

D

Like the look in your eye

::Verse #2::

d#m7b5 **Em**

You loved me too much

d#m7b5 **Em**

Then you loved me just enough

D **Am**

To keep me coming back for more

D

Wondering what this game is for

::Chorus::

G

Iâ€™m mad about you

Bm **Em** **D**

I just couldnâ€™t read the writing on the wall

C

Surely you could see that

Am **D**

This time I was ready to fall

::Verse #3::

d#m7b5 **Em**

Iâ€™ll go one by one

d#m7b5 **Em**

Through everything weâ€™ve done

D **Am**

And all the places we have been

D

And weâ€™ll never go again

::Chorus::

G

Iâ€™m mad about you

Em **Em** **D**

I just couldnâ€™t read the writing on the wall

C

Surely you could see that

Am **D**

This time I was ready to fall

::Chorus B::

G

Iâ€™m lost around you

Em **Em** **D**

We never looked at things the same at all

C

Itâ€™s always gonna be there

Am **D**

This time I was ready to fall

d#m7b5 **Em**

Why werenâ€™t you

::Bridge::

Am

You told me there was time now

D

Hold on and go slow

Am

Itâ€™s way too late for that now

B

Iâ€™ve already let go

Em **D** **C**

Now I canâ€™t believe itâ€™s true

Am

D

Dsus4 **D**

That you canâ€™t hear my heart beating when Iâ€™m looking at you

::Solo::

G - **Em** - **Em** - **D** - **C**

Am - **D**

::Verse #4::

d#m7b5 **Em**

So now we let it go

d#m7b5 **Em** **D** **Am**

Pretending it was fate and we were never in control

D

But I think weâ€™ll always know

::Chorus::

G

Iâ€™m mad about you

Em **Em** **D**

I just couldnâ€™t read the writing on the wall

C

Surely you could see that

Am **D**
This time I was ready to fall

::Chorus B::

G
Iâ€™m lost around you
Bm **Em** **D**
We never looked at things the same at all
C

Itâ€™s always gonna be there

Am **D**
This time I was ready to fall
d#m7b5 **Em**
Why werenâ€™t you

::Outro::

C - D - Em
Am - Bm - Em
