Regular Days

::Intro::

D - Bm - G - D

::Verse #1::

A G D
Up all night and you come here barely alive

A G D
Move on in real close and just let me drive

Bm A G D
Outside the window the sunâ€™s gone down

Bm A G D
Night so calm not a soul around

Bm A G
Weâ€™ve got reason to fly away

Even if ends up being for a single day

::Interlude::

D - Bm - G - D

::Verse #2::

A G D
You just sleep, donâ€™t worry weâ€™ll get there soon

A G D
Iâ€™ll turn off the dashboard lights and follow the moon

Bm A G D
Got some money and a case of wine

Bm A G D
I brought you clothes and I hope theyâ€™re fine

Bm A G
Nighthtimeâ€™s a mystery we need to explore

Lying in a bed of a suite that we can barely afford

::Chorus::

D Bm F#m A
I know it always seems to come to this

D Bm F#m A
You and me making up for the time we miss

G D Em
But I can feel all our worries fading away

G D A
What can I say, for us thereâ€™s no regular days

D

No regular days
