Skyscraper Soul

:: Intro::

**Em - C - G - D**

**Em - C - G - D**

::Verse #1::

**Em** **C**  
Everyone knows it, try not to show it,  
**G** **D**  
This city can bring you down  
**Em** **C**  
Iâ€™m a believer some days are hard, but  
**G** **D**  
I couldnâ€™t leave this town

::Chorus::

**G** **G/B C**  
I got a skyscraper soul  
**Em** **D**  
Like a flower that comes where the sun never goes  
**G** **G/B C**  
Skyscraper soul  
**Em** **D**  
Filling my heart where there once was a hole

::Verse #2::

**Em**  
Look out my window  
**C**  
Watching the sun go down  
**G** **D**  
On the crowds below  
**Em**  
I know the struggle,  
**C**  
Weaving through trouble  
**G** **D**  
Life can be hard, I know

::Chorus::

**G** **G/B C**  
I got a skyscraper soul  
**Em** **D**

There's mud in my veins and there's steel in my bones

**G G/B C**

Skyscraper soul

**Em D C**

Building it all up from water and stones, oh

::Interlude::

Look through the market stalls

Over broken walls

**G D**

To this hollowed ground

**Em**

Looks are deceiving

**C**

There's a heart beating

**G D**

Here in this battered town

::Chorus::

**G G/B C**

Cause I got a skyscraper soul

**Em**

**D**

Like a flower that comes where the sun never goes

**G G/B C**

Skyscraper soul

**Em D**

Filling it all up with water and stones, oh
