Watch Yourself Go Down - Jim Cuddy

::Intro::

Bm - F#m7 (repeated)

::Verse #1::

Bm **F#m7**
There's a fork in the road, but you never take it
Bm **F#m7**
Always go the same way home
Bm **F#m7**
It's 6 o'clock so you're medicated
Bm **F#m7**
Easy when you're living alone
Em **A**
and all the girls who come and go
Em **A** **Bm** **F#m7**
They whisper in your ear "oh baby you know"
Bm **F#m7**
"Oh baby you know"

::Verse #2::

Bm **F#m7**
This town's got a crooked grin
Bm **F#m7**
You know it's got a cold, cold heart
Bm **F#m7**
Came here thinking it was yours to win
Bm **F#m7**
But you're dead before you even start
Em **A**
And all the friends who understood you
Em **A** **Bm** **F#m7**
Smile and shake your hand saying "really we should"
Bm **F#m7**
"Really we should"

::Pre-Chorus::

Gmaj7 **D**
And you dream, dream of better days
Gmaj7 **D**
And it seems they're moving far away
Gmaj7
But you can't ever stop
Em
You keep climbing for the top
C **Em**

Till the wind comes and blows you away

::Chorus::

Bm **F#m7**
Youâ€™re gonna watch yourself go down
Bm **F#m7**
Youâ€™re gonna watch yourself go down
Bm **F#m7**
Youâ€™re gonna watch yourself go down
Bm **F#m7**
Down, down, down

Bm **F#m7**
When you were a kid the world was waiting
Bm **F#m7**
You were everybodyâ€™s favourite son
Bm **F#m7**
But now you wake up in a room where the light is fading
Bm **F#m7**
I think youâ€™re finally catching on
Em **A**
And all the days they fly just like
Em **A** **Bm** **F#m7**
People in your life whoâ€™re passing you by
Bm **F#m7**
Oh, Passing you by

::Pre-Chorus::

Gmaj7 **D**
And you dream, dream of better days
Gmaj7 **D**
And it seems theyâ€™re moving far away
