        And I should have known better    to

Bbsus4          Bb7          Ebm    C#
lie with one as beautiful as you.    Yeah I should have known

B          Bbsus4              Bb7      Ebm
better     to take a chance on ever losing you,  But I

G#m7                    G#m7/C
thought you d understand.       can you forgive me.

F#add9     B                C#
I       saw  you  walking by  the  other
true   I took our love for granted all a-

F#add9      B          C#                Ebm          C#
day      I know you saw  me  you  turned  away      and I was lost.
-long   and trying to explain where I went wrong      I just dont know.

B        Bb F#add9        B                C#
        You see__     Ive never   loved   no-one as much as
         I cry__      but tears dont seem to help me carry

F#add9              B                C#                  Ebm          C#
you,__      Ive fooled around but tell  me  now  just  who    is hurting who?
on,__       and now there is no chance youll come back home, got too much pride

I hope thats easy enough to follow

for the chord shapes, in the first collumn I will
put the chord shapes the book shows. I will put what I
prefer to play in the second collumn, either because I
like it more, or because I disagree with the books fingering
(for Asus4, book actually shows the fingering for A7sus4!)
