[Verse 1]

Oh the difference a day makes **Em**
The kettle s on and my heart breaks **C**
I didn t mean to doubt you **G**
I just figured it out **B**
Oh the difference a day makes **C** **G**
Difference a day makes **C** **G**

Em C **Em** **C**

[Verse 2]

Oh the difference a day makes **Em**
Flock scatters the earth shakes **C**
10 billion people are dreaming **G**
While floating through space **B**
Oh and we re just out walking **C** **G**
Laughing and talking **C** **G**
About the difference a day makes **C** **G**
Difference a day makes **C** **G**
Difference a day makes **Em**

[Bridge]

So don t think twice **C**
Just lie down in the light that has found you **Em**
â€˜Cause the dark will come **C**
D **G**

And swallow up the sun that hangs above you
