

Birthrights

Jim Kroft

A **E**
Is it true, every time i dance, I dance with you?

A **E**
But when the morning comes, Iâ€™m alone again inside the morning,

A **E**
A limmerick, a twist of fate, I know that I can be confusing

A **E**
And is it true that a vampire cocooned can become an angel?

D **F#** **E**
Shelter me close, donâ€™t you ever let me go, my love.

D **F#**
The mistakes I made werenâ€™t mine to make,

A **E**
Sometimes we are just chained to the fates

D **F#**
Iâ€™m writing now a new birthright,

A **E**
Iâ€™m taking it into my future life

D **F#** **E**
Itâ€™s true - that we can write our birthrights anew

A E A E

A **E**
Out there in the wild - thatâ€™s the place the place I feel alive

A **E**
With the jaguarâ€™s leap, the firefly & soaring symmetry

A **E**
A limmerick, a twist of fate, I know that I can be confusing

A **E**
And is it true that a vampire cocooned can become an angel?

D **F#** **E**
Shelter me close, donâ€™t you ever let me go, my love.
