**Jim Reeves**

Adios Amigo by Jim Reeves  
Slow waltz in 3/4 time  
Here s how I strum it...

Adi[G]os Amigo, Adios My [D7]Friend  
The Road we have travelled  
Has Come To An [G]End  
When Two Love The Same Love  
One [C]Love Has to [G]Lose  
And it s [D7]you who she [G]longs for  
It s [A7]You She Will [D]Choose.

Adi[G]os Compadre, What must be must [D7]be  
Remember To Name One Muchacho for [G]me  
I Ride To The Rio,  
Where My [C]Life, I Will [G]Spend,  
Adi[D7]os A[G]migo, Adi[D]os My [G]Friend.

Adi[G]os Compadre Let Us Shed No [D7]Tears  
May All Your Mananas Bring Joy Through The [G]Years  
Away From These Memories,  
My [C]Life I must [G]Spend  
Adi[D7]os A[G]migo, Adi[D]os My [G]Friend.
