

**Hell Have To Go**  
**Jim Reeves**

He ll Have To Go - Jim Reeves

Capo: 1

Time: 3/4

[Intro]

| G | C | G |

[Verse 1]

          C                          F                  C  
Put your sweet lips a little closer to the phone  
C                          Am                  G  
Let s pretend that we re together all alone  
          C                          C7                  F  
I ll tell the man to turn the jukebox way down low  
          C                          G                          C      G  
And you can tell your friend there with you, he ll have to go.

[Verse 2]

          C                          F                  C  
Whisper to me, tell me do you love me true  
C                          Am                  G  
Or is he holding you the way I do  
          C                          C7                  F  
Though love is blind, make up your mind, I ve got to know  
          C                          G                          C  
Should I hang up, or will you tell him, he ll have to go.

[Chorus]

          F  
You can t say the words I want to hear  
          C  
When you re with another man  
          F  
Do you want me, answer yes or no  
          C                          G  
Darling, I will understand.

[Verse 3]

          C                          F                  C  
Put your sweet lips a little closer to the phone  
C                          Am                  G  
Let s pretend that we re together all alone  
          C                          C7                  F  
I ll tell the man to turn the jukebox way down low  
          C                          G                          C  
And you can tell your friend there with you, he ll have to go.
