

## Coastlines

Jim Ward

Tabbed by: Kyle

Email: ultimate-guitar@azz80v.com

Tuning: Standard, Capo on 6th

**Am**                          **Em**  
Ohhh ohh ohh    ohhh ohh ohh ohh

**Am**                          **Em**  
The sun start over ocean  
**Am**                          **Em**  
The pins hold up your hair  
**Am**                          **Em**  
A California coastline  
**Am**                          **Em**  
Is what I wouldn't care

**C**                          **G**                          **Am**                          **C**  
And I find it hard to turn you off when your not here  
**C**                          **G**                          **Am**                          **C** (Jim kind of skips the **C** here and goes  
straight to the **Am**)  
And I find it hard to tune you out to disappear

**Am**                          **Em**  
Ohhh ohh ohh    ohhh ohh ohh ohh

**Am**                          **Em**  
On the five we found it  
**Am**                          **Em**  
The one that it slipped away  
**Am**                          **Em**  
A Catalina's target  
**Am**                          **Em**  
To fall in love on new years day

**C**                          **G**                          **Am**                          **C**  
And I find it hard to turn you off when your not here  
**C**                          **G**                          **Am**                          **C**  
And I find it hard to tune you out to disappear

**Am**

**Em**

Ohhh ohh ohh ohhh ohh ohh ohh

**C**

**G**

**Am**

**C**

And I find it hard to turn you off when your not here

**C**

**G**

**Am**

**C**

And I find it hard to tune you out to disappear
