

**Dolly Dagger Intro**  
**Jimi Hendrix**

Here's the intro to Dolly Dagger. The rest of the song is very difficult and I don't feel like having to write it all down.

Here are the lyrics, which will come in handy, since it is almost impossible to understand what Jimi says at times.

Verse 1:

Here comes Dolly Dagger  
Her love's so heavy  
Gonna make you stagger  
Dolly Dagger  
She drinks the blood from a jagged edge  
Aw, drink up baby

Verse 2:

Been riding broomsticks, since she was fifteen  
Blowin' out all the other witches on the scene  
She's got a bullwhip just as long as your life  
Her tongue can even scratch the soul out of the devil's wife  
Well, I seen her in action at the Player's Choice  
Turn all the love men into doughnut boys.  
Hey red hot mama you better step aside  
This chick is gonna turn you to a block of ice  
Look Out

Verse 3:

Here comes Dolly Dagger  
Her love's so strong  
Gonna make you stagger, baby  
Dolly Dagger  
She drinks the blood from the jagged edge.  
Uh, right on, drink up baby  
Hey

Verse 4:

Yeah, look at the old burnt out Superman  
Tryin? to shoot his dust on the sun  
Captain Karma kids  
They?re dead on the run  
Oh, words of love  
Do the ever tough Dolly Brown?  
Better get some highway an? clear outta town  
Here comes Dolly Dagger  
Her love?s so heavy  
Gonna make you stagger  
Dolly Daggger  
She ain?t satisfied ?til she gets what she?s after  
She drinks the blood from the jagged edge  
You better watch out baby  
Here comes your master
