Lyrics:

Am
Well I realize I ve been hypnotized

All right
Gypsy

Way up in my tree I m sitting by my fire
wondering where in the world you may be
and knowin all the time
you re still rollin along in the country side

Oh my
Gypsy

Well I walked right on up to your revel roadside
the one that rambles on for a million miles
yes I walked down this road searching for your love
and I found some too
but I found her I ain t gonna let her go

I remember the first tiem I saw you
the tears in your eyes oh that girl s tryin to say
oh little girl you know I could love you
but first I must make my getaway
two strange men fightin to the death over me today
I ll try and meet you by the old highway
Hey!

Well I realize I ve been hypnotized

I ve been searching so long
I think they made me lose the balle
down against the road my worry knees
off to the side I fall but I hear her sweet call
my gypsy eyes fine and I ve been saved
Oh I ve been saved
that s why I love you
I said I love you
Lord I love you
