RAINY DAY, DREAM AWAY

The Jimi Hendrix Experience

=46rom: justmiller@mindspring.com

This is a pretty easy song, actually, but it was hard for me to get=20
some of the chords right because most of them are 9ths making the roots
slightly ambiguous. Some of the chords and stuff might not be quite=20
right, but they are close enough for me. The beginning and end is=20
basically a D9 chord with Jimi soloing in a D pentatonic scale. By the
way, =8CStill Raining, Still Dreaming=B9 is just the rest of this song
and it is also a D9 chord except for a couple variations. Make sure to
bust out the WAH for this one!

ALSO:

NOTE THAT THIS SONG IS IN STANDARD =8CE=B9 TUNING, NOT =8CEb=B9

Intro: [solo in D pentatonic]

D9

Hey man, take a look out the window and see what s happening

Hey man, it s raining

It s rainin outside man

Aw, don t worry about that

Everything s gonna be everything

We ll get into somethin real nice you know

Sit back and groove on a rainy day

Yeah

Yeah I see what you mean brother, lay back and groove.
