C Em  
When you walk away from me there is no  
C  
place to put my hand..except to shade my

C Bb  
I watch you walk away, somehow I have to let  
C  
you go, cause it s over.

BRIDGE:

Oh, though there might have been a way, I have to  
Bb F  
force myself to say, it s over.
