#1.

C# Fm

If time were not a moving thing and I

C#

could make it stay this hour..the love

F#m

we share would always be..there d be no

C#

coming day to shine a morning light and

B

C#

make us realize all night, it s over.

#2.

C# Fm

When you walk away from me there is no

C#

place to put my hand..except to shade my

F#m

eyes against the sun that rises over land.

C# B

I watch you walk away, somehow I have to let

C#

you go, cause it s over.

BRIDGE:

F# Bbm

If you knew just how I really feel..you might

F#

be turning yet..there are so many times people

B

have to love and then forget.

F#

C#7

Oh, though there might have been a way, I have to

B

F#

force myself to say, it s over.

#3.

C# Fm

So, I turn my back and turn my collar to the wind..

C#7

F#m

move along in silence trying not to think at all,

C#

B

I send my feet before me, walk the silent street

C#

before me, it s over.
