

**Nobody Knows But Me**  
**Jimmie Rodgers**

NOBODY KNOWS BUT ME  
JIMMIE RODGERS

VERSE 1:

**C** **A7**  
Nobody knows bout the jailhouse blues,  
**D7** **G7** **C**  
Till you get within four walls,

**C** **A7**  
And the old jailer man turns that big black key,  
**D7** **G7**  
That s when your spirit falls.

**C** **C7**  
Then you drag yourself up to the bars  
**F** **G7** **C**  
and while you gaze out at the stars  
**G7** **D7** **G**  
this is what you say...

CHORUS:

**C** **A7**  
Why did I stray from the righteous path,  
**D7** **G7** **C**  
Nobody knows but me,

**C** **A7**  
There on the outside you all can laugh,  
**D7** **G7**  
I don t need your sympathy.

**C** **C7**  
For after I ve paid for the liquor I sold,  
**F** **G7** **C**  
I ll leave this place worth my weight in gold.

**A7** **D7**  
So why did I stray from the righteous path,  
**G7** **C**  
Nobody knows but me.

**C** **G7** **C**  
Nobody knows but me.

VERSE 2:

**C** **A7**
