T for Thelma, the gal that made a wreck out of me

If you don t want me mama, you sure don t have to stall

If you don t want me mama, you sure don t have to stall

Cause I can get more women than a passenger train [can haul]

Well, I m going where the water drinks like cherry wine

I m going where the water drinks like cherry wine

Cause this Georgia water tastes like turpentine

I d rather drink muddy water and sleep in a hollow log

I d rather drink muddy water and sleep in a hollow log

Than to be here in Atlanta, [and] get treated like a dirty dog

Women make a fool out of me

If you re ever down in mobile be sure to look me up

If you re ever down in mobile be sure to look me up

And if your ever in Atlanta tell Lucille to go to hell

Women make a fool out of me
