

**String Of Pearls**  
**Jimmie's Chicken Shack**

**C#** **A**  
She wanna string of pearls  
  
All I got her was a necklace  
**C#**  
Made of flowers from the trash can  
**A**  
She wanna make me pay for it  
**F#**  
Yeah while I m at it guess I ll take another bath, man  
**A**  
And the record s out  
**F#**  
Holdin steady gaining on last place  
**A**  
And in a moment s notice  
**C#** **A**  
We ll be ready for the next new phase  
**C#**  
Another stupid craze (Same thing for the rest of the song)

She wanna string of pearls  
All I got her was a necklace  
Made of flowers from the trash can  
She s gonna make me pay for it  
I start to sing and cry and then  
It makes me laugh, man  
Yeah we ve all got doubts  
Might not be winning but still in the race  
And in a moment s notice  
We ll be ready for her next new phase  
It might be hard to sell  
Still never in giving  
Have I given... So deep...oh, well  
Will you give it all to me when you re dead  
You can keep the scent on my pillow  
To settle your broken-heart and head  
Will you think of me when you die  
Holding steady  
Moment s notice  
Again she left with my heart in hand  
**A**  
She says she hates me  
**B**  
Yeah she s lied before  
**A**  
Again it s time to play me

Yeah it just adds up

**B**

That same sad melodic score

**A**

I wrote another one

**B**

Does this one count

**A**

And did cost as much as all the other ones

So much more...

She wanna string of pearls

All I got her was a necklace

Made of flowers from the trash can

She wanna make me pay for it

And while I m at it guess I ll take

Another bath man

Yeah the record s out

Holding steady gaining on last place

And in a moment s notice

We ll be ready for her next new phase

So I state my case

Would you want a string of pearls

Cause all I got you was a necklace

Made of flowers, made of flowers from a trash can

And she wanna string of pearls

Ain t that enough, ma am?

I think it s worth so much more
