[Intro]

A D

[Verse]

A   **D**
Somebody told me you were leavin'
        A - **D**
I didn't know
A   **D**
Somebody told me you're unhappy
        C#m   **F#m**
But it doesn't show
D   **A/C#**   **Bm** - **E**
Somebody told me that you don't want me no more
                              A
So you're walkin' out the door
A   **D**
Nobody told me you've been cryin'
      A - **D**
Every night
A   **D**
Nobody told me you'd been dyin'
          C#m   **F#m**
But didn't want to fight
D   **C#m**   **F#m**   **Bm**
Nobody told me that you fell out of love from me
        E   **A**
So I'm settin' you free

[Chorus]

        D   **C#m**
Let me be the one to break it up
          Bm   **A**
So you won't have to make excuses
          D   **A**
We don't need to find a set up where
          Bm   **A**
Someone wins and someone loses
          D   **C#**

We just have to say our love was true
        F#m   **B**
But has now become a lie
      Bm   **A/C#**   **Bm**
So I'm tellin' you I love you one last time
      D - **A/C#** - **C** - **B**
And goodbye

[Verse]

A   **D**
Somebody told me you still loved me
          A - **D**
Don't know why
A   **D**
Nobody told me that you only
        C#m   **F#m**
Needed time to fly
D   **A/C#**   **Bm** - **E**
Somebody told me that you want to come back when
                              A
Our love is true again

[Chorus]

        D   **C#m**
Let me be the one to break it up
          Bm   **A**
So you won't have to make excuses
        D   **A**
We don't need to find a set up where
        Bm   **A**
Someone wins and someone loses
        D   **C#**
We just have to say our love was true
        F#m   **B**
But has now become a lie
      Bm   **A/C#**   **Bm**
So I'm tellin' you I love you one last time
      D - **A/C#** - **C** - **B**
And goodbye

[Bridge]

                    D
Just turn around and walk away
        C#m   **Bm** - **E**
You don't have to live like this
        C#m   **F#m**
If you love me still then stay

```
              D                             C#
Don’t keep me waiting for that final kiss
         F#m              C#m
We can work together through this test
           D                   C#m
Or we can work through it apart
        C                   F
I just need to get this off my chest
               Bm                    E
That you will always have my heart

[Chorus]

          D                 C#m
Let me be the one to break it up
             Bm                 A
So you won’t have to make excuses
            D                A
We don’t need to find a set up where
           Bm               A
Someone wins and someone loses
            D                   C#
We just have to say our love was true
           F#m                B
But has now become a lie
        Bm             A/C#               Bm
So I’m tellin’ you I love you one last time
        D - A/C# - C - B
And goodbye
```
