

Caroline Street
Jimmy Buffett

Chorus:

There s a [G]woman goin crazy on Caroline Street
[D]Stoppin every man that she does meet
Sayin [C]if you ll be gentle if you ll be sweet
I ll show you my place on Caro[Am]line [G]Street

She [G]claimed in a loud [D]voice to be a [C]dancer
But [G]I don t think she s [D]cut a rug in [C]years
[G]Listens to the [D]jukebox for her [C]answers
S[G]lowly guzzles [D]twenty-five cent [C]beers

Talks [G] about the men [D]she s known and then[C] some
She s [G]seen them in [D]her dreams and on the [C]street
She [G]slides her dapper legs [D]from beneath the[C] table
As if [G] to reveal some [D]kind of[C]treat

There s a [G]woman goin crazy on Caroline Street
[D]Stoppin every man that she does meet
Sayin [C]if you ll be gentle if you ll be sweet
I ll show you my place on Caro[Am]line [G]Street

Her [G]lover left her [D]stranded in [C] Jamaica
Just [G]right now she can[D] t recall his [C] name
Perceiving [G] she s the [D]center of [C] attention
And all[G] the lurking eyes[D] they look the [C] same

Weather s [G]got the shrimpers[D] in a [C] frenzy
They re [G]horny and don t [D]need a good [C] excuse
Someone [G]yells and things [D]just start[C] erupting
And in a [G]flash all hell has[D] broken [C] loose

There s a [G]woman goin crazy on Caroline Street
[D]Stoppin every man that she does meet
Sayin [C]if you ll be gentle if you ll be sweet
I ll show you my place on Caro[Am]line [G]Street

When [G]I woke up and looked[D] around the [C] barroom
She was[G] gone and I was[D] black and [C] blue
So be [G]careful when you [D]go to swing your [C] partner
Someone[G] just might take [D]a swing [C] at you

(Repeat chorus twice and fade)
