

Caroline Street
Jimmy Buffett

Chorus:

There s a [G#]woman goin crazy on Caroline Street
[Eb]Stoppin every man that she does meet
Sayin [C#]if you ll be gentle if you ll be sweet
I ll show you my place on Caro[Bbm]line [G#]Street

She [G#]claimed in a loud [Eb]voice to be a [C#]dancer
But [G#]I don t think she s [Eb]cut a rug in [C#]years
[G#]Listens to the [Eb]jukebox for her [C#]answers
S[G#]lowly guzzles [Eb]twenty-five cent [C#]beers

Talks [G#] about the men [Eb]she s known and then[C#] some
She s [G#]seen them in [Eb]her dreams and on the [C#]street
She [G#]slides her dapper legs [Eb]from beneath the[C#] table
As if [G#] to reveal some [Eb]kind of[C#]treat

There s a [G#]woman goin crazy on Caroline Street
[Eb]Stoppin every man that she does meet
Sayin [C#]if you ll be gentle if you ll be sweet
I ll show you my place on Caro[Bbm]line [G#]Street

Her [G#]lover left her [Eb]stranded in [C#] Jamaica
Just [G#]right now she can[Eb] t recall his [C#] name
Perceiving [G#] she s the [Eb]center of [C#] attention
And all[G#] the lurking eyes[Eb] they look the [C#] same

Weather s [G#]got the shrimpers[Eb] in a [C#] frenzy
They re [G#]horny and don t [Eb]need a good [C#] excuse
Someone [G#]yells and things [Eb]just start[C#] erupting
And in a [G#]flash all hell has[Eb] broken [C#] loose

There s a [G#]woman goin crazy on Caroline Street
[Eb]Stoppin every man that she does meet
Sayin [C#]if you ll be gentle if you ll be sweet
I ll show you my place on Caro[Bbm]line [G#]Street

When [G#]I woke up and looked[Eb] around the [C#] barroom
She was[G#] gone and I was[Eb] black and [C#] blue
So be [G#]careful when you [Eb]go to swing your [C#] partner
Someone[G#] just might take [Eb]a swing [C#] at you

(Repeat chorus twice and fade)
