

**Changes In Latitudes**  
**Jimmy Buffett**

[Intro]

**G# Eb Bb G# Eb**

[Verse]

**Eb G#**  
I took off for a weekend last month  
**Bb Eb**  
Just to try and recall the whole year  
**G#**  
All of the faces and all of the places  
**Bb Eb**  
Wonderin where they all disappeared  
**Cm Gm**  
I didn t ponder the question too long  
**G# Bb**  
I was hungry and went out for a bite  
**G# Eb**  
Ran into a chum with a bottle of rum  
**Bb Eb**  
and we wound up drinkin all night

[Chorus]

**G# Eb**  
It s these changes in latitudes, changes in attitudes  
**Bb Eb**  
Nothing remains quite the same  
**G# Eb**  
With all of our running and all of our cunning  
**Bb G# Eb**  
if we couldn t laugh we would all go insane

[Verse]

Reading departure signs in some big airport  
Reminds me of the places I ve been  
Visions of good times that brought so much pleasure  
Makes me want to go back again  
If it suddenly ended tomorrow  
I could somehow adjust to the fall  
Good times and riches and son of a bitches  
I ve seen more than I can recall

[2nd Chorus:]

These changes in latitudes, changes in attitudes  
Nothing remains quite the same  
Through all of the islands and all of the highlands  
If we couldn t laugh we would all go insane

[Verse]

I think about Paris when I m high on red wine  
I wish I could jump on a plane  
So many nights I just dream of the ocean  
God I wish I was sailin again  
Oh, yesterday s over my shoulder  
So I can t look back for too long  
There s just too much to see waiting in front of me  
And I know that I just can t go wrong

[Last Chorus:]

With these changes in latitudes, changes in attitudes  
Nothing remains quite the same  
With all of my running and all of my cunning  
If I couldn t laugh I just would go insane  
If we couldn t laugh we just would go insane  
**Bb** **F#** **C#** **G#** **Eb** **Bb** **Eb**  
If we weren t all crazy we would go insane
