D G A D

Now young Mr. Moon flew away in the night

D G A D

With his best friend Magnus right by his side

D G A D

They soared through the Milky Way counting the stars

D G A D Dsus2

Once around Venus, twice around Mars

D G A D

Then they spied an island rise out of the sea

D G A D

They fell back to Earth just as free as you please

D G A D

The children all gathered the church bells did ring

D G A D

Suddenly everyone started to sing

Chorus:

D G A D

Chanson pour les petits enfants

D A7 D

Chanson pour toute le monde

D G A D

Chanson pour les petits enfants

D A7 D

Chanson pour toute le monde

D G A D

Queen of the island she welcomed them in

D G A D

Asking them questions of where they have been

D G A D

She offered them chocolate she offered them tea

D G A D

They all took their seats in the top of a tree

D G A D

And raccoons brought wine and the mice they brought cheese

D G A D

Beautiful birds floated by on the breeze

D G A D

From out of the oceans the dolphins began

D G A D

Humming a tune that soon covered the land

Chorus:

D G A D

Chanson pour les petits enfants

D A7 D

Chanson pour toute le monde

D G A D

Chanson pour les petits enfants

D A7 D

Chanson pour toute le monde

D G A D

So young Princess Lea brought coral and pearls

D G A D

Gifts to the travelers from some other world

D G A D

The bush doctor mixed up a magical spell

D G A D

Swore them to secrecy, never to tell

D G A D
So young Mr. Moon flew away in the night

D G A D
With his best friend Magnus still right by his side

D G A D
The sun was rising, they'd be home by noon

D G A D
Humming the words to this magical tune

Chorus x2:

D G A D

Chanson pour les petits enfants

D A7 D
Chanson pour toute le monde

D G A D
Chanson pour les petits enfants

D A7 D
Chanson pour toute le monde
