**Jimmy Buffett**

[Note] This is taken from the sheet music arranged for piano. Some of the tab may need to be played an octave higher. You may need to capo at at the first fret for some of these songs, too.

She came	down from	Cincinna-	ti
It took her	three days	on the	train.
	Lookin for some	peace and qui-	et
	Hoped to see the	sun again	
But now she	lives down	by the	ocean
She s takin	care to	look for sharks	
They	hang out	in the lo-	cal bars
And they	feed right	after dark

You got fins to the left,	fins to the right,	and you re the only bait in town.				
You got fins to the left,	fins to the right,	and you re the only bait in town.				

[Additional lyrics]

She s saving up all of her money  
Wants to head it south in May  
Maybe roll in the sand with a rock n roll man  
Somewhere down Montserrat way.  
But the money s good in the season  
Helps to lighten her load  
Boys keep her high as the months go by  
She s getting postcards from the road.

Sailed off to Antigua  
It took her three days on a boat  
Lookin for some peace and quiet  
Maybe keep her dreams afloat  
But now she feels like a remora  
Cause the school s still close at hand  
Just behind the reef are the big white teeth

Of the sharks that can swim on the land.
