

Fins
Jimmy Buffett

[Note] This is taken from the sheet music arranged for piano. Some of the tab may need to be played an octave higher. You may need to capo at the first fret for some of these songs, too.

She came	down from	Cincinna-	ti
It took her	three days	on the	train.
	Lookin for some	peace and qui-	et
	Hoped to see the	sun again	
But now she	lives down	by the	ocean
She s takin	care to	look for sharks	
They	hang out	in the lo-	cal bars
And they	feed right	after dark

You got fins to the left,	fins to the right,	and you re the only bait in town.	
You got fins to the left,	fins to the right,	and you re the only bait in town.	

[Additional lyrics]
 She s saving up all of her money
 Wants to head it south in May
 Maybe roll in the sand with a rock n roll man
 Somewhere down Montserrat way.
 But the money s good in the season
 Helps to lighten her load
 Boys keep her high as the months go by
 She s getting postcards from the road.

Sailed off to Antigua
 It took her three days on a boat
 Lookin for some peace and quiet
 Maybe keep her dreams afloat
 But now she feels like a remora
 Cause the school s still close at hand
 Just behind the reef are the big white teeth
 Of the sharks that can swim on the land.
