        G
                     Α
But I can t be your soldier home from war[/tab]
And there you sit shouting that there s still hope for us
While nature holds the handcuffs on a Capricorn and Taurus
There s nothing you can do or say to get me to your camp
Go fill up all your savings books and buy yourself a lamp
And I can t be your hero today
Your wholesale price is much to high to pay
A bargain basement atmosphere is no way to sell love
And I can t be your Superman above
```
