Intro: **D A E A D A E A**
 D A E A D A E A

```
[tab]      E                      A
My garden is filled with papayas and mangos[/tab]
[tab]      E                      A
My life is a mixture of reggaes and tangos[/tab]
[tab]D                      A                      E
Taste for the good life, I can live it no other way[/tab]
[tab]      D                      A
While out on the beach there are two empty chairs[/tab]
[tab]      D                      A
That say more than the people who ever sit there[/tab]
[tab]      D                      A                      E
From under my lone palm I can look out on the day[/tab]
```

Chorus:

```
[tab]          D   A   E           A
Where no bird flies by my window[/tab]

[tab]          D   A           E           A
No ship is tied to my tree[/tab]

[tab]          D           A
Love is a wave building to a crescendo[/tab]
E (Intro chords)
Ride if you will, ride it with me
```

I know this girl made memories and phrases
Who lived her whole life in both chapters and phrases
Danced till the dawn, wished all her worries away
Well she wasn't crazy, no she wasn't mad
She just wanted the father that she never had
From under my lone palm I think about her today

Chorus

Bridge:

```
[tab]F#m                A
We sailed from the port of indecision[/tab]
[tab]F#m                A
Young and wild with oh so much to learn[/tab]
[tab]G                D                E                F#m
Days turn into years as we tried to fool our fears[/tab]
[tab]                D                E                A
But to the port of indecision I returned[/tab]
```

My gardens are filled with papayas and mangos
My life is a mixture of jingles and jangles
Come Christmas winds and blow all my worries away

Chorus

Delaney talks to statues as she dances round the pool[/tab]
[tab]A                E                B E                A                B                E
She chases cats through Roman ruins and stomps on big toadstools[/tab]
[tab]A                E                B E                A                B                A E
She speaks a language all her own that I can not discover[/tab]
[tab]A                E                B E                A                B                A E
But she knows I love her so when I tuck her neath the covers[/tab]
```

Chorus:

```
[tab]        A E        B E        A E        B E
        Father, daughter, down by the water[/tab]
[tab]        A E        B E        A E        B E
        Shells sink, dreams float-- life s good on our boat[/tab]
```

Delaney draws me pictures, she finger paints the sand
We chase the dogs and hop like frogs, then I do my bad handstand

She s growing up too fast for me and asking lots of questions
Some I know the answers to and some I m looking for suggestions

Chorus:

Father, daughter, born by the water
Surf s up, sun s down-- life in a beach town

Bridge:

```
[tab]C#m          G#m          A          B
And some of the things I ve seen maybe she won t have to see[/tab]
[tab]C#m          G#m          A          B
But there s a lot I want to pass along that was handed down to me[/tab]
```
