2.

Tried and I tried but I don t understand

Never seems to work out the way I had it planned

Hangin out in a marina when Steve Martin called

Singin anybody there really wanna get small.

But women and water are in short supply
There s not enough dope for us all to get high
I hear it gets better, that s what they say
As soon as we sail on to Cane Garden Bay.

2nd Chorus:

Please don t say man~ana if you don t mean it
I have heard your lines for so very long
Don t try to describe the scenery if you ve never seen it
Don t ever forget that you just may wind up in my song.

(spoken: "Alright, let s reggae Reefers ")

SOLO: D G A G D

3.

Called all my friends on those cheap nightly rates
Sure was good to talk to the old United States
While the lights of St. Thomas lie twenty miles west
I see General Electric s still doing their best.

I ve got to head this boat south pretty soon
New album s old and I m fresh out of tunes
But I know that I ll get em
I know that they ll come
Through the people and places and Callwoods Rum.

Last Chorus:

So please don t say man~ana if you don t mean it
I have done your lines for so very long
Don t try to describe a Kiss concert if you ve never seen it
Don t ever forget that you just may wind up being gonged! (gong)
[tab] A G D
And I hope Anita Bryant never ever does one of my songs.[/tab]

I used the box set version for this one.
(Hope there aren t any mistakes) :)
