Dm G
I enjoy this life as a jester
Dm G
Seems to keep me movin' around
Am D Am D
Like the wind that blows, Tide that flows
C D G
Have my ups and downs

Dm G
All a part of some strange plan I'm sure
Dm G
Start a new chapter each day
Am D Am D
Honey, love gets lost, time gets tossed
C D G
cause we've both got our own different ways

(Chorus)

F C G
I feel like I'm stranded on a sandbar
F C G
Stuck in my tracks like a street car
F C G
Playin' it for all that it's worth
F C G
I'm just payin' for my sins on earth

(Bridge)

Now I used to go crazy for days at a time
Now I m takin my time with my days
Haven t found the answers like some that I know
I m just stuck in a fairly nice maze

Climb to the top of the island tonight
Sit beneath the cashew tree
I want to count the stars, lights on the cars
That are shinin up and down on me

(Chorus x 2)

I feel like I m stranded on a sandbar
Baby I m stuck in my tracks like a street car
Playin it for all that it s worth
I m just payin for my sins on earth

I enjoy this life as a jester
Seems to keep me movin around
