She tells me her tan is the same all over[/tab]
[tab]C **Dsus** **D** **G**
She asks me to dance and says "keep your boots on"[/tab]
[tab]C **Dsus** **D** **G**
She never met a number one cowboy[/tab]
[tab]C **Dsus** **D** **G**
We rolled in the sand and drank rum until dawn[/tab]

Chorus:

[tab]G
Who s the blonde stranger, who entered my life[/tab]
[tab] **C D** **Dsus G**
Makin me over, in the moonlight[/tab]
[tab]G
This side of Texas, is all new to me[/tab]
[tab] **C D** **G**
Who s the blonde stranger, who lives by the sea[/tab]

Stayed up all night and for me that s the first time
Sneak in the room just as cool as I can
Pull back the sheets and the bed is all empty
Except for a note left from some guy named Dan

My head got all light and the room started spinning
I stepped outside just to get some fresh air
Out on a wave was my own darlin Lola
And some pretty boy with bleach in his hair

Chorus:

Who s the blonde stranger, out there with my wife
What were they doin , in the moonlight
This side of Texas, is all new to me
Who are these strangers, who live by the sea

Back on the ranch and everything s normal

Beach blanket bingo comes on the TV
We talk in our sleep and then the next morning
I ask her who s Dan and she says who s Marie?

Chorus:

Who s the blonde stranger, who entered my life
Makin me over, in the moonlight
This side of Texas, is all new to me
Who s the blonde stranger, lives by the sea

Chorus:

Who s the blonde stranger, who entered my life
Makin me over, in the moonlight
This side of Texas, is all new to me
Who are these strangers, who live by the sea
